Re: Case#: 16-33531; Bankruptcy of Ronald Eugene Reynolds;  
Date: 7-14-16

Dear Ms. Hansen:

My name is Steven Ray Schillereff, TDC# 1202954. I am also a Judgment-Creditor in Case No.: 97473-A, Schillereff v. Reynolds, et al, which said Judgment was awarded to me on January 6th, 2011, (nearly 8-years ago) by the Honorable Judge Dan L. Schaap, 47th Judicial Dist. Court of Potter County, Texas. (See Enclosed). To date the Judgment-Debtors have not paid a single cent.

I was never informed by any party of the above referenced Bankruptcy. I only just last month discovered accidentally (through a friend/Internet/Public Rec'ds) that said Bankruptcy proceeding occurred. Furthermore, to the best of my knowledge, my Final Judgment was not even mentioned, or included in said proceedings. (which was perhaps a Fraud Committed upon this Court). The Judgment Debtor, and any parties representing him, certainly have full awareness of the existence of my Final Judgment.

As a Judgment-Creditor I believe I am entitled to be informed by the Bankruptcy Court of the status of said proceedings; names and addresses of all Trustees and/or Receivers; and an Abstract of the Judgment and/or minutes of said Proceedings. If there is any cost for copies, please inform me as to such costs. I would make arrangements with my family to assist me in providing payment for copies.

I request that my Final Judgment be included in the Bankruptcy matters and I be included in the distribution of funds at this time if possible. Or perhaps I could appear by way of a Telephonic Hearing concerning such matters.

Please make this Request/Letter part of the record. Also please file mark the enclosed copy of this cover letter and return in back to me in the provided SASE for my records. Thank you for your time and consideration in this matter. I eagerly await your reply.

Respectfully submitted,

  
Steven Ray Schillereff
